

## New City Classical Academy - Physical Education Teacher

We are seeking a part-time physical education teacher. This teacher should have a Biblical worldview of physical education and a desire to train children in using physical activity as a means of virtue formation and worshipping God. This position is for teaching Grammar students (1st - 5th grades). We anticipate our PE teacher being available to teach 2 hours/week and have afternoon availability (within the hours of 12:30 PM - 2:30 PM). The teacher will be expected to lay out an annual PE schedule for approval by the Head of Primary School by September 1st of the school year. Applicants should possess the skills and expertise necessary to assist the faculty at New City Classical Academy to reach the goals of:

- Training our students to train and compete knowledgeably, joyfully, and skillfully to the Lord on a regular basis.
- Systematically instruct the students in the fundamentals of physical health and wellness.
- Enrich the teaching of Scripture through the teaching of athletic training and competition.
- Encourage (through a variety of options) the student to select some area of physical activity, within the scope of their abilities, to pursue on their own.

NCCA looks for teachers who inspire students to love the material rather than just know the material, who encourage our children to know God more fully, and who desire to become part of building a community. Who themselves possess a deep Christian faith, which is demonstrated by a clear, personal relationship with Christ, by faithful participation in the life of a local church, and by character that is above reproach. Teachers will unreservedly agree with and promote the beliefs, mission, and vision of NCCA and possess a robust Christian worldview. New City Classical Academy does not require state certification for teachers. We have found that our form of education works best when we seek those who share our values and have a natural teaching ability.

In Grammar School, we seek the following in our faculty:

- A passion for classical Christian education
- A love of children
- Organizational skills and aptitude for managing a classroom
- Classroom experience
- A personal love of learning
- A desire to pursue ACCS teacher accreditation
- An undergraduate degree
